

**ADDENDUM TWO  
TO THE REQUEST FOR PROPOSALS (RFP) FOR  
DISEASE PREVENTION AND HEALTH PROMOTION (DPHP) PROGRAM**

The purpose of this Addendum is to amend the following areas related to the Disease Prevention and Health Promotion (DPHP) Request For Proposals (RFP):

Appendix C – Sample Contract with Exhibits and Attachments

Under the Table of Contents for Appendix C (Sample Contract), the title of Exhibit AA (Guidelines for Developing the Budget for Title III D Program Services) should read Exhibit AA (Instructions for Developing the Budget for Disease Prevention and Health Promotion Program).

Under the Table of Contents for Appendix C (Sample Contract), the title of Exhibit BB (Guidelines for Developing the Mandated Program Services for Title III D Program Services) should read Exhibit BB (Instructions for Developing the Mandated Program Services for Disease Prevention and Health Promotion Program).

Appendix C (Sample Contract) Exhibit AA (Instructions for Developing the Budget for Disease Prevention and Health Promotion Program) was inadvertently omitted and not posted on the CSS website. The Exhibit is now available on the CSS website.

Appendix C (Sample Contract) Exhibit BB (Instructions for Developing the Mandated Program Services for Disease Prevention and Health Promotion Program) was inadvertently omitted and not posted on the CSS website. The Exhibit is now available on the CSS website.

Appendix D (Required Forms)

Appendix D (Required Forms) Exhibit 14 (Intentionally Omitted) was mistakenly posted twice on the CSS website.

Appendix C (Sample Contract) Exhibit W (Budget) was mistakenly posted as a separate attachment link on the CSS website. Proposer shall actually utilize Appendix D – Exhibit 25 (Proposed Budget for Disease Prevention and Health Promotion Program Services).

Appendix C (Sample Contract) Exhibit X (MPS IIID) was mistakenly posted as a separate attachment link on the CSS website. Proposer shall actually utilize Appendix D – Exhibit 24 (Proposed Program Services for Disease Prevention and Health Promotion Program Services).
